# WELCOME MESSAGE

Welcome to the first ever Sultana Bran Hockey One League Grand Finals!

After seven rounds of intensely-fought home & away matches, and exciting semi-finals last weekend in Sydney, Brisbane and Melbourne, we congratulate the men's teams from NSW Pride and Brisbane Blaze, and the women's teams from HC Melbourne and Brisbane Blaze for making it through to the deciders at the State Netball & Hockey Centre, Melbourne.

The Sultana Bran Hockey One League has captured the attention of fans around the country, both attending at games and watching live on Kayo. The quality of hockey has been nothing short of brilliant, with some of the best players in the world mixing it with exciting arising talent from across Australia.

Today's matches will see no fewer than twenty current Kookaburras and Hockeyroos, plus a number of ex-internationals, fighting it out for both silverware and bragging rights in the national dressing rooms!

We thank all our partners and those of the seven participating teams, for jumping on board the journey with us to kick off a new era for hockey in Australia. In particular, we thank Kellogg's through their iconic Sultana Bran breakfast cereal brand, for being our naming rights partner for the first two seasons at least, and Westfund Health Insurance for signing on as supporting partner.

We hope you have a great day of excitement and family entertainment, and tell your friends to check out the Sultana Bran Hockey One League.

It's Real Hockey. Reimagined!

# HOCKEY REIMAGINED

Hockey One is Australia's newest national sporting league featuring the best players – men and women – competing for city teams in entertaining games played across Australia.

**Loud, bold** and **fast**, the League runs over a seven-week period after the AFL finishes and before the cricket starts. The League showcases the best of the best with players including our Kookaburras and Hockeyroos.

Broadcast through Fox Sports and Kayo, games are played in all capital cities with both a men's and a women's match played on each match day in the best hockey stadia in Australia.

With clear links to grassroots hockey, including our children's programs with kids receiving their city team's top as part of their kit, and an even participation across men and women, Hockey One is a unique opportunity to reach families across the country.
